SECTION 1. ROLE OF STANDARDS IN EDUCATION

Chapter 1 1

Technology Education Standards: Power, Peril, and Promise

Rodger Bybee
Biological Science Curriculum Study
Colorado Springs, Colorado

Chapter 2 11

Role of Standards in Different Subject Areas

Pamela Newberry
International Technology Education Association
Technology for All Americans
Blacksburg, Virginia

Linda S. Hallenbeck
Ohio Office of the Governor
Columbus, Ohio

SECTION 2. CONTENT STANDARDS FOR TECHNOLOGICAL LITERACY EDUCATION

Chapter 3 47

Rationale and Structure for *Standards for Technological Literacy*

G. Eugene Martin
Southwest Texas State University
San Marcos, Texas

Chapter 4.....59

Standards for Technological Literacy: Content for the Study of Technology

William E. Dugger, Jr.
International Technology Education Association
Technology for All Americans
Blacksburg, Virginia

SECTION 3. APPLICATION OF CONTENT STANDARDS FOR TECHNOLOGICAL LITERACY IN TECHNOLOGY TEACHER EDUCATION

Chapter 5.....79

Future Technology Teacher Education Programs Based on *Standards for Technological Literacy*

Anthony F. Gilberti
Indiana State University
Terre Haute, Indiana

G. Eugene Martin
Southwest Texas State University
San Marcos, Texas

Chapter 6.....99

Restructuring the Technology Teacher Education Curriculum

Rodney L. Custer
Illinois State University
Normal, Illinois

R. Thomas Wright
Ball State University
Muncie, Indiana

Chapter 7.....121

Alternative Programs for Technology Teacher Preparation

John M. Ritz
Old Dominion University
Norfolk, Virginia

Leon L. Copeland, Sr.
University of Maryland, Eastern Shore
Princess Anne, Maryland

SECTION 4. CERTIFICATION/LICENSURE REQUIREMENTS FOR TECHNOLOGY EDUCATION TEACHERS

Chapter 8.....141

The Implications of *Standards for Technological Literacy* for Teacher Licensure in Technology Education

Mark E. Sanders
Virginia Tech
Blacksburg, Virginia

Len S. Litowitz
Millersville University
Millersville, Pennsylvania

Chapter 9.....165

Changes in Program Accreditation Guidelines for Technology Education

Anthony E. Schwaller
St. Cloud State University
St. Cloud, Minnesota

SECTION 5. DELIVERY OF IN-SERVICE TRAINING FOR IMPLEMENTING THE CONTENT STANDARDS FOR TECHNOLOGICAL LITERACY

Chapter 10.....189

Technology Teacher Education's In-Servicing of Technology Education Teachers

John R. Wright
University of Southern Maine
Gorham, Maine

Chapter 11.....209

Cooperative In-Service by Teacher Educators and State Departments of Education

Bryan Albrecht
Wisconsin Department of Public Instruction
Madison, Wisconsin

Ken Starkman
Wisconsin Department of Public Instruction
Madison, Wisconsin

Douglas Wagner
Florida State Department of Education
Tallahassee, Florida

Ron Barker
Georgia State Department of Education
Atlanta, Georgia

Chapter 12.....219

Teacher Education and National Organizations: Their Relationships in Preparing Standards-Oriented Technology Teachers

Kendall N. Starkweather
International Technology Education Association
Reston, Virginia

SECTION 6. RECOMMENDATIONS FOR IMPLEMENTING THE CONTENT STANDARDS FOR TECHNOLOGICAL LITERACY EDUCATION

Chapter 13.....237

Providing Education to Implement *Standards for Technological Literacy*

William E. Dugger
International Technology Education Association
Technology for All Americans
Blacksburg, Virginia

John M. Ritz
Old Dominion University
Norfolk, Virginia

Everett N. Israel
Illinois State University
Normal, Illinois
